

Learn to Skate Program Information

- *On the 1st day of each session, please arrive at Wintersport a 1/2 hour prior to class time.*
- *Classes always begin promptly at the scheduled time.*
- *Skate rental is included.*
- *Learn To Skate USA is endorsed by U.S. Figure skating, USA Hockey, US Speedskating, and the Special Olympics.*
- *Snowplow Sam sessions are for ages 3-6. All other sessions are available for ages 6 and up.*
- *Skating Director must approve any make-up classes.*
- *Each class will consist of a 1/2 hour of instruction and a 1/2 hour to practice.*
- *It is important for the student to practice as much as possible. Remember... the more practice the quicker the progress.*
- *Some levels are more difficult and may take more than one session to complete. Don't be discouraged.*
- ***Helmets are highly recommended for ages 8 and under.***
- *Your equipment is most important. When fitting skates make sure the boots are as snug to your feet as possible with only one pair of thin socks. Usually the same size as your street shoes will be fine.*
- *Always talk to your skating instructor before investing in ice skates. Proper skates will make your skating more enjoyable.*
- *Pants or slacks you can move freely in, such as "warmups" will be helpful.*
- *A warm sweater and a light-weight jacket are necessary. For beginner skaters, gloves or mittens and a hat are necessary for protection.*
